

CREATE A SHOPPING LIST

[and learn to use the tools at the same time]

To customize a skin care regimen

- go to motivescosmetics.com/yourdomain
 - click on **Learn**
 - take a **skin care analysis**
 - choose at least 1 cleanser and 1 moisturizer to try.

Cosmetics

Check them out on the motives site.

SIMPLE FIX: Choose 3 products to try.

To customize a nutritional line

- go to shop.com/yourdomain
- click on health and nutrition [It is under shop.com banner - top of page.
 - click on **Nutritional Analysis**
- identify the products you need to support your health and wellbeing.

SIMPLE FIX: Order the Daily Essentials and Omega 3. That covers a lot of bases.

To customize a weight loss system

- go to tlsslim.com/yourdomain
- Take the **Find your Fit profile**

SIMPLE FIX: Purchase the TLS 21 Day kit and experience this powerful jumpstart.

Baby Products

Check out the DNA Miracles line. [my grandkids LOVE the supplements.]

Their diaper cream is way better than Burt's Bees etc.

The hair detangler works beautifully.

SIMPLE FIX: Purchase the OPC3 chewables [I cut them in half for my 21-month-old granddaughter.] Every kid loves them and they are a powerful immune enhancer, overall health product.

Pet Care

If you have a dog with joint issues – the OPC3 pet health is amazing.

Try the shampoo too.

Auto Care

Save gas and preserve your engine with **FRICION FREE** [oil additive] and increase your gas mileage with **AUTO WORKS fuel enhancer**

SIMPLE FIX: Buy an Auto works Car wash promo package and 1 fuel enhancer.

Home Care Products

Try a SNAP PAK – green, clean and highly concentrated. [All but the Laundry detergent will last you a long time.]

Shop the partners stores for everything else. BUT FOCUS FIRST ON THE EXCLUSIVES. They offer the highest payout for you and your team.
